LEGEND!

Muso's missus goes moot out

NEVER ask *Sports Illustrated* model Chrissy Teigen to help you put together an Ikea coffee table, 'cos she's obviously got no handyman skills whatsoever.

When she rocked up to the annual American Music Awards in Los Angeles the other night with her husband, Tonight Show bandleader John Legend, her home-made dress was falling apart even before she got inside.

It looked like she hadn't even tried real hard – a couple of metres of fabric, a couple of safety pins, and good to go she reckoned.

But disaster struck just few steps onto the red carpet when the whole thing started heading south.

The dress zigged when she zagged, and suddenly, owing to her having COMPLETELY FORGOTTEN to put on her undies, her FRESHLY MOWN SMOO was on display for all to drool over.

Which, come to think of it, wasn't such a bad result.

Being the cool-as-fuck dude that he is, Legend didn't bat an eyelid. Didn't even turn around.

Why should he? He can see that thing up close any time he wants. ■ Picture

TOP MARXS!

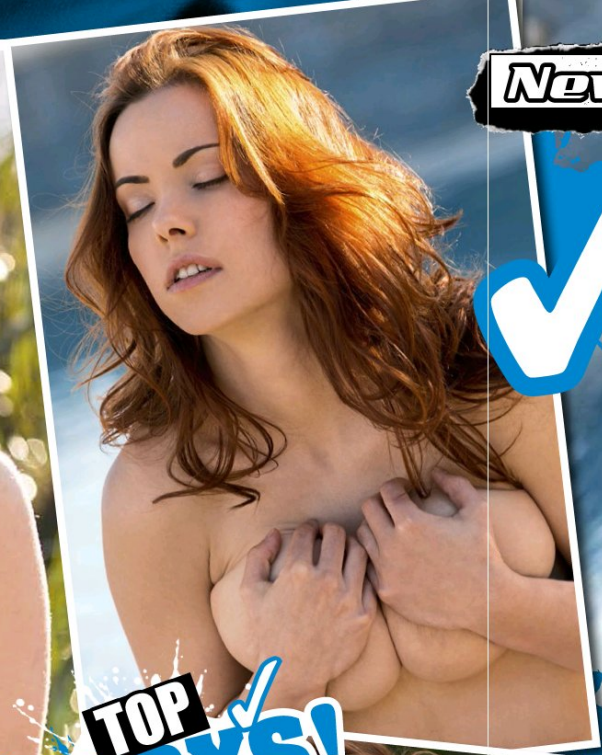
Liz goes to the head of the class

YEAH, she spells her last name funny. Get over it. With tits like that she could spell it with an umlaut and a silent 'q' and we wouldn't care.

Seppo model Elizabeth Marxs has been getting naked for the camera for about five years now, and so far nobody has told her to put her clothes back on and concentrate on her spelling.

Liz's all-natural double D-cup DANDELIONS have ensured her a solid career in the tits-out business, but she's not squatting

100 PER CENT NATURAL NORKS!



TOP MARXS!

"I've always just done it"

on her equally impressive ARSE waiting for things to happen.

"I have drive," she reckons. "I've never been the type to sit around and wish I was doing something. I've always just done it."

She certainly DONE IT back in 2014, when she and photographer Allen Henson did a guerrilla topless photo shoot on the observation deck of the Empire State Building and were subsequently sued for US$1.1 million by building management 'cos she might've scared the KIDDIES.

But that's just the kind of feisty young go-getter she is, bless her. Damn the torpedoes and full speed ahead.

When she's not airing her terrific ta-tas atop international architectural treasures, Liz likes to cook, watch '80s slasher movies and read up on her favourite subjects – Greek mythology, Marilyn Monroe and zombies.

"I'm full of useless information," the top-heavy STUNNA believes.

She also reckons she hates dates with blokes who drink too much and tell dirty jokes, and the worst pick up line that she's ever heard was: "Is that a mirror in your pocket? Cause I can see myself in your pants!"

All of which makes us a little bit sad. It's like she read our CV. Shit, we've got that mirror line printed on our bloody business card!

We can only hope we don't giggle and wee our pants if ever we're lucky enough to meet her. ■ Picture

BUMMY DEAREST

A MUM and daughter have gone head-to-head – or should that be CHEEK-TO-CHEEK – in the final of Brazil's universally loved Miss Bumbum competition. Bruna Ferraz, 35, and her daughter Eduarda Moraes, 19, both unveiled their admirable arses in front of the judges to attempt to win the first prize of $35,000 and a modelling contract. "Winning means everything to me, it will change my life forever," said Eduarda. "But I know it means everything to my mum, too. Now we're both in the final it will all depend on who's got the most beautiful bottom. I admire my mum's bottom. I hope mine will be as firm as hers when I'm her age." Unfortunateley, neither of their arses were considered star material and the crown went to Erika Canela's bodacious buttocks.

#282 WE DREW A COCK ON IT

CROC-B-Q

NOT content with becoming the lady-boy capital of the world, Thailand is now re-inventing take-away tucker. When they're staggering home from the pub, TANKED THAIS can flick the traditonal kebab for something fancier, like this barbecued CROC-ON-A-STICK. Yummo, eh. When we tried it it tasted a bit like SEPPO TOURIST, so obviously the croc had been eating healthily before it was wacked on the head and chucked on the coals.

COCK-EYED

THE hot new eye make-up look for chicks this summer could have them crying TEARS OF SPOOF. After 19-year-old Californian Asia Brautigam, posted a snap of herself with her new eye look on Instagram, everyone started jumping on the band wagon. Next thing ya know DICK EYES have taken over the internet. Asia reckons she wasn't trying start a trend, just have a little bit of GOOD CLEAN FUN. "I wanted to joke around about the creative and artistic eyeshadow looks," she said. And she doesn't mind all the copycats. "I think they're all creative and amazingly talented!" she said. "My dick-liner will never compare!"

RAISING THE STEAKS

THET don't call us the Genius Country for nothing. Faced with the UNTHINKABLE prospect of no steaks for lunch 'cos some FOOL forgot to bring the barbie, some smarty-pants put his MASSIVE BRAIN to work and came up with THIS. It can only be described as the greatest bit of lateral thinking since some clever cunt thought: "Beer... bubbles... yeah, that could work!" We reckon from now on John Deere will be flogging their classy tractors as barbies that do a bit of ploughing on the side. It just makes us so goddamn proud. Is there no end to Oz ingenuity, you ask? No, there isn't, so fuck off.

GUN IT, GRAMPS

TEAR-AWAY Welsh oldster James Roberts has the cops on his case and HE DONT CARE, MAN! The 74-year-old pensioner from Abergele in North Wales was sent a speeding ticket by the local filth, who reckon he'd gunned his electric mobility scooter at 42mph (67kph) though a 30mph (48kph) zone. Jimmy is fighting the bust, though, claiming he was HOME IN BED after a triple bypass heart operation at the time. And besides, the scooter only does about 15kays. This bad boyo don't take no shit from no goddamn coppers, ya hear!

FUCK OFF GORDO!

THERE must be a good earn in being a grumpy, foul-mouthed cunt. We're guessing TV chef and all-round knob-head Gordon "Tucker Fucker" Ramsey didn't pay for his $3 million, limited edition Ferrari LaFerrari Aperta with the proceeds from his PAPER ROUND. The sweary cook was lucky enough to score one of the 6.3-litre V12 fang-machines and immediately took it for a drive around London so everyone could chuck shit at it.

'BYE, POLAR!

Bloke flees car-jacking carnivore

POLAR bears are mean killing machines with the ability to split your head open like a ripe melon and slurp out ya brains.

Needless to say, you wouldn't TOOL AROUND with one if you ran across it. Which, thankfully, is not likely for us 'cos they live in the big, snowy FUCK-ALL that is northern Alaska.

But this poor prick in the town of Barrow, more than 500 kays above the Arctic Circle, wasn't so lucky. The bloke, a surveyor, was returning to his car when a big ol' polar bear came cruising up from the other side, probably intending to pull a CAR-JACKING.

At the last second they saw each other and AN HILARIOUS game of kiss-chasey ensued, during which the bear got in a couple good swipes at the bloke and nearly ripped his jacket off.

Way-hey! Didn't he have a giggle about that!

Then the bloke decided he had enough fun for one day, and ducked away to hide in the cabin of a nearby truck.

The motto of this story, readers, is that while polar bears are fun to play with, they will suck the marrow out of your bones if given the chance. **Picture**

WELL FINGERED

Indian family hit the digital jackpot

WHEN the Choudhary family give you the finger, they REALLY give you the finger!

They're the all-time world bird-flipping champions, 'cos more than 25 members of the family have 12 fingers and 12 toes – EACH!

They are known in their home village of Teusa, in the Indian state of Bihar, as the 'family with 24 fingers'.

The folks in Teusa never were any good with nicknames, eh.

Anyway, the family suffers from polydactyly, a congenital physical anomaly of supernumerary digits – or TOO MANY FINGERS, for you dummies up the back.

The extra nose-pickers could be seen as a disability, not to mention the added cost of manicures, but looking on the bright side, if ever they wanted to start a family banjo-pickin' act they'd probably clean-up.

Plus, when the breakdown of society comes and nobody's got computers any more, the Choudharys will be able to count higher than anybody else! **Picture**

WHAT AN ANIMAL!

It's a jungle out there

WHEN wankers go on about the beauty of nature and how all creatures have their place in the scheme of things, does it make you want to punch them in the face? Or is that just us?

'Cos let's face it, animals are cunts. Given the chance, they'll bite, sting, squeeze or gore you to death, then eat you afterwards. Oh yes. They're mean.

So don't let this happen to you. Stay inside on the couch where they can't get at ya. We've got ya back. Picture

LEO-PARDY TIME!

Zombie leopard attacks are a big problem in India lately. They suck ya brains out through ya skull, and leave the rest for the jackals.

LEAPIN' LIZARDS!

This NT salty is so keen for a big feed of Seppo tourists he can't wait until their plane lands. Just a little higher, mate. Nice abs by the way.

HIS ASS ON THE LINE

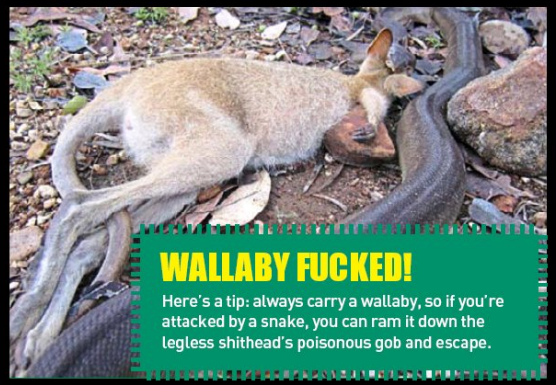
Venezualan man-eating donkeys are not widely known, so this is most likely this kid's first encounter with one. And his last, poor bugger.

OPEN YOUR TRUNK, MATE!

This van full of tourists must look like a can of Spam to this rare carnivorous Madagascan elephant. They're JUMBO SHIT now, of course.

CLEAN YA WINDOWS?

Sure, polar bears are the most bloodthirsty predators on Earth, but maybe he just wants to be friends. Wanna hop out of the car and ask?



WALLABY FUCKED!

Here's a tip: always carry a wallaby, so if you're attacked by a snake, you can ram it down the legless shithead's poisonous gob and escape.

CARNA TIGERS!

Known for being nasty pricks, tigers also have a violent hatred for Fabio look-alikes, who they attack on sight. So they do have their good side.

A COUPLE in their 80s were in the middle of a sex drought. The frustrated wife felt like it had been years since they'd had sex, so she decided to do something about it.

Without telling her husband she went to an adult shop, browsed around for a while and bought herself some crotchless undies.

That evening, she sat on the couch across from her hubby with her legs spread wide apart.

Eventually he blinked, looked closer and asked: "Are you wearing crotchless undies?"

"Yes," she replied.

"Thank Christ for that!" he cried. "For a moment there I thought the stuffing was coming out of the couch."

A BLOKE walks into a bar and sees three pieces of meat hanging from the ceiling so he asks the barman, "What's this about?"

The bartender replies, "Well, if you can jump up and slap the meat, you get free drinks for the rest of the night. If you miss, you pay for everyone's drinks for the next hour. You wanna try it?"

The guy replies, "Nah, mate. The steaks are too high."

"Close enough," said the sherriff. "Now, what two days of the week begin with the letter 'T'?"

"Today and tomorrow!" the blonde replied.

"I'll pay that," said the sherriff.

"Now," he continued. "Who shot John F. Kennedy?"

The blonde thought for a while and replied. "I don't know."

"OK, love," said the kindhearted cop. "How about you go home and think about it and come back tomorrow and tell me what you reckon."

At that the blonde raced home and told her flatmate: "I think it went really well! They've already got me working on a murder case!"

JOKE OF THE WEEK WINS $100

ON THEIR way to get married, a young Catholic couple were killed in a car crash. They found themselves sitting outside the Pearly Gates waiting for St. Peter to process them into Heaven.

When he showed up, they asked him if they could get married there. St. Peter said, "Gee, I don't know. This is the first time anyone has asked. Let me go find out."

The couple sat and waited, and waited. After three months, St. Peter finally returned, looking somewhat worn out and frazzled.

"Okay," he says. They can marry you."

"Great!" said the couple, "But what if things don't work out? Could we also get a divorce?"

At that, St. Peter, red-faced with anger, slammed his clipboard down and kicked it over a cloud.

"Fucken hell! It took me three bloody months to find a priest up here!" he shouted.

"Do you have any idea how long it'll take me to find a lawyer?"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

DAILY DOUBLE

AFTER everybody was drooling over Charlotte, Homie of the Week in #1415, you've done it again with Courtney, Homie of the Week in #1417. They could be the "C" sisters – both blond, no tatts , no piercings, ace tits and arse and both are just bloody beautiful! What's the chance of them doing a double in a future edition? That would go to the top of my collection of PICTURE mags.

A.R., CABRAMATTA, NSW

MUNGO SAYS: There's a touch of genius in that idea, A.R. They could be sisters, eh. We'd love to oblige, but we're up a fucken gumtree until Charlotte returns from her backpacking expedition to Upper Mambobia or wherever she's fucked off to. Rest assured, though, we'll put it to them (fnarrrgh!) when she gets back and if they're both keen it'll be a simple matter of strip-strip, snap-snap, wank-wank. We'll let ya know if it's on.

ATTACK OF THE «CLONES»

OMMMMMM...

DEAR editor, the model students tits are fantastic (I refer to THE PICTURE November 28, 2016). One girl's tits are very artistic (page 6). Since breasts are unique of each girl and have an artistic touch we find nudes of girls always classic and natural to paint or pictures (photos). That is why women are not weaker sex, in fact more powerful than men! A woman is a man's weakness. No man and woman can skip a glance to a bosom of woman! Strangely, some men believe that bigger the breasts smaller are the brain. Remember, men are from Mars and women from Venus are a truth in life. For happy life, accept both men and women as they are!

M.K., NEW DELHI, INDIA

MUNGO SAYS: You mystical Indian guru types amaze me with your deep insights into life. I just thought they were tits. That just goes to show ya what a non-mystical slob I am! So thanks for your input re the tit-tays, but what I'm really looking for from a mystical Indian guru is some sort of insight into what horsie might get up at Flemington next week. So if you could put some work into that and get back to me, I'll bung a tenner for both of us on whatever horse you reckon might win.

FAMILY MATTERS

HEY Mungo, I think we actually know each other. Didn't you used to root my sister?

K.H., SURRY HILLS, NSW

MUNGO SAYS: Mate, I used to root everybody's sister. So I'll take a stab and say yeah. And she was GREAT.

MUNGO WANTS TO KNOW...

We're coming up to a brand new year, so waddya wanna see in the mag in 2017? Don't be shy, let me know, and the best ideas – at least, the ones I print in the mag – will get a big yellow beer voucher.

TRUMPY-PUMPY

MATE, how good was Donald Trump winning the US election? Politics usually bores the shit outta me, but when you've got a pussy-grabbing, wall-building casino baron about to become prez of the US I couldn't help having a chuckle. Are you a Trump man, Mungo?

L.M., PORT MACQUARIE, NSW

MUNGO SAYS: More importantly, is The Donald a Mungo man? Now he's starting to hand out the big money jobs to his mates, I'm hoping for a call asking could I come over and run something – I dunno, the defence department or some shit – and what size bar fridge I want in my office. At least I could give him some advice on personal grooming. He looks like someone emptied their vacuum cleaner on his head.

READY, STEADY, SHIT

HI, MUNGO. Whenever I'm watching TV cooking programmes I'm always at a loss as to why the hell they put so much emphasis on the many different colours of food used in the recipe when at the end of the day, it always comes out the same colour at the other end – BROWN.

R.W., BELMONT, WA

MUNGO SAYS: If that's what you're looking for you're obviously watching the wrong kind of TV show, mate. You want My Dunny Rules, MasterShit or Zumbo's Just Turds. Not that I watch those cooking shows myself – I'm usually too busy FUCKEN EATING – but from what I understand, they tend to stick to the GOB END of the process.

FLUORO FLATTIES!

FISH PANTS

It's not often three mates go fishing and each one catches a wacky, rare, fish big enough to wear as PANTS. But Armando Castillo, Joe Ludlow and Travis Savala managed it when they were wetting a line together off the coast of Southern California aboard a San Diego-based sportfishing boat. The three amigos each hauled in an opah, or moonfish, ranging from 56kg to 80kg. The pscyhedelic-looking beasties are pretty rare, especially big 'uns like these, so it was only natural that the boys tried them out as an alternative to their boardies, and found them very comfortable indeed. Nude-from-the-waist-down-fishing is gunna be YOOOJ this summer!

Antonius Andre Tjiu

THE VENUE

Unless you're flush with dough, forget about hiring some joint and just have it at home. Of course, if you live in a small place like me, you might have to bung on an extension. I always look for a couple of extra cardboard boxes, them big bastards that fridges come in, and staple them on in case the invited guests bring a plus one. That way, instead of cleaning up afterwards, you can just torch the lot and move.

THE GUEST LIST

It may seem obvious, but don't invite any REAL horrible cunts. Like if that Hitler bloke was still alive, I wouldn't invite him. Basically, any lunatic mass murderers are out. Same goes for paedos, Aussie tennis players, the fat pom with the cravat on that TV cooking show, and Jaquie Lambie. Weed out the trash and stick with quality.

I always include a couple of big blokes who'll act as bouncers for free beer, some chicks who'll get their tits out no matter what the occasion, and any ex-coppers that you know still with contacts on the force in case you get raided.

Another good trick is to hang around the bottle-o, and when you see anyone buying up mountains of grog, chuck 'em an invite. Tell 'em Miranda Kerr'll be there giving back rubs. Some dickhead'll believe anything.

CARL'S CHRISSIE PARTY

BY CARL LAGERFUELLED

How to chuck a Lagerfuelled-style festive beano

G'DAY. Giz peace on Earth and goodwill to all cunts? Fuck ya then.

Carl here, and now it's that time of year again, I thought I'd tell youse how to hold a proper Chrissie party. Follow the Carl method and YOUR bash could end up in the social pages of the Sunday papers!

TUCKER

Obviously, you'll need to prepare a few litres of gravy for everyone's favourite game, but other than that, there are no rules. I always do my signature dish, Turkey Surprise, which is cold baked beans straight from the can. You should see their faces. Talk about surprised!

Another good idea is to order a few dozen pizzas to be delivered to one of your neighbours who's fucked off for their hols, then when the delivery bloke is standing there losing his fucken rag bashing on their door, offer to take them off his hands for half price.

GAMES

Ya can't just sitting around necking piss all night. Playing a few party games to get everyone in the festive fucken spirit, and delays the start of the inevitable punch-up for a couple of hours.

Here's some that were a big success at my Chrissie bash last year:

Pull My Finger
Whose Chunder Is That?
Pants Full Of Gravy
And my favourite, Name That Skin Infection

OTHER ENTERTAINMENT

Everyone always loves stick flicks at this time of year, but why not make it special and play only Christmas themed pornos?

I'm thinking family favourites such as *Santa Claus is Coming – On My Tits!*, *Reindeer Sluts 3*, *Suck My North Pole*, *Elf Orgy 2: The Spoofening* and *Mrs Claus's Anal Adventure*. These'll also help if you forgot to buy any of that SPRAY-ON SNOW.

BOOZE

Do we really need alcohol to have a good time? OF COURSE WE FUCKEN DO! The basic rule is don't hold back – make sure there's enough for everyone to get blind four times over, then double it. When that runs out, everyone falls back on their own hidden stashes – y'know, in the oven, the toilet cistern, the compost heap, etc – and that's when the punch-ups usually start.

I can hardly fucken wait!

SMASH AND SNIFF

HI TRIN, I'm 19 and I just started having sex with my girlfriend. It's really great and everything, but one thing has me worried – what's that funny smell that always hangs around afterwards? Is there a way to get rid of it or does my girlfriend just have really smelly juices?

FEZZA, KAMBAH VILLAGE, ACT

TRINITY SAYS: Ha! Welcome to the big, wide world of sex, little one! That thick smell that lingers afterwards is simply called "sex smell" and it's the remnants of all the bodily fluids and pheromones you' two lovebirds have shared. There's no way to stop it, other than opening a window and letting fresh air in. Also, be sure to take a shower yourself, otherwise you'll end up with cats following you around.

HEAVY METAL

I RECENTLY started dating a girl with both her nipples and her clit pierced. It's the first time I've ever encountered either so it's all new and exciting to me. I was wondering what women with piercings like done to them during oral and sex? I've already asked her, but she claims that she'd only just got them and didn't have any advice for me.

K.N., HOBART, TAS

TRINITY SAYS: It's all the same really, pierced or not, just an extra little item to play with. So your tongue, fingers and the usual array of techniques can apply. Just work your magic! Unless she's into kinky bondage stuff and wants to have electric pulses through the metal bits or be tied up by them.

SACK IT OFF

WHAT do you think about guy's balls, Trin? I'm a 34-year-old chick and I think they're real cute and like to hold them and feel them move in my hand but another of my girlfriends reckons they're gross and hairy!

T.P., GEORGES PLAINS, NSW

TRINITY SAYS: There are a vast range of balls; some can be quiet pretty and, as your friend thinks, some can be quiet ugly. But, each to their own as I always say – what floats some people's boats, may sink others. Personally, I like a nice set of balls, especially saggy ones, so that when I'm being fucked doggie they come through and tap my fanny.

SCHA-WINNGG!

MY WIFE and I are looking at buying a sex swing – would you recommend them? What's a good toy that a married couple looking to spice up their sex life could buy?

JIM AND NEL, MOONLIGHT FLAT, VIC

TRINITY SAYS: Sex swings are fun if you have the space for them. They certainly do make for some interesting times! I also think role playing fcan be a fun or couples . That's where you pretend to be other people or characters and go to places outside of the marital home and play out the fantasy. And you don't have to buy a thing!

DOGGY STYLE

THIS new chick I'm dating has a pet Rottie that follows her around everywhere. And I mean everywhere! When we're fucking in her bedroom she has him sit at the side of the bed. I suggested that maybe he sit outside and she said definitely not. Now I'm shit-scared of shagging her in case the vicious mutt thinks I'm trying to hurt her. What should I do? I still think she's a cool chick regardless.

Z.B., MANLY VALE, NSW

TRINITY SAYS: I'd be concerned too, mate. I've actually heard of it happening before (people being attacked during sex by their partner's dogs). I think if you just explain to her again, but with a bit more detail about why you're uncomfortable and how it's affecting the sex, she should, if she's any kind of good chick, understand and sort the situation out to accommodate you.

PUSS IN BOOTS

HEY TRIN, I'm a big, tough tradie outside the bedroom but love being a submissive pansy behind closed doors. I'd love to hear a story about you dominating a guy – have you done this before?

D.M., VIA EMAIL

TRINITY SAYS: I've done basic domination but nothing really worthy of a juicy story – though I guess even my average stories would blow some people's minds. But I much prefer to be dominated. I did have a guy once want me to put a dog collar on him and treat him like my pet; commanding him to do things and then fuck his arse with all my dildos and strapons, telling him he's my bitch. That was interesting. It was a one night stand, too, so random for a first time encounter with someone.

TRINITY'S CONFESSION

DON'T put up with shit! If there's something that you don't like or that turns you off but your partner insists on doing it or ignores your requests to stop, I suggest a good old fashion taste of their own medicine. Do something they don't like and when they ask you to stop, tell them again to stop doing shit to you. That'll sort 'em out quick smart!

HARD TIMES

I'VE been struggling to maintain a stiffy and fuck my missus lately. She reckons it's cos I wank too much. I reckon it's cos her tits are saggy. I can get it up fine watching porn, but when it comes to actually fucking I'm not that interested. We need your help.

CHRIS, FYANS CREEK, VIC

TRINITY SAYS: Are her tits the only thing that turns you on about your missus? That's a bit shallow. Get ya head right then ya sex will get back to normal. Or, as another approach, shout ya missus a tit job for Chrissie!

A WEE DILEMMA

THIS guy I've been seeing said he wants to take a wizz inside me while we're having sex. I think that's weird, but who am I to judge? I just wanna know if you've ever experienced, or heard of, anything like that, or if I need to prepare?

I.P FREELY, CAROLE PARK, QLD

TRINITY SAYS: Eeewwwwww, hell no! Being pissed on or pissing on someone is one thing, but pissed IN – no thanks. Babe, that's the body releasing toxins, you don't want that up inside you! I've never even had any one ask.

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

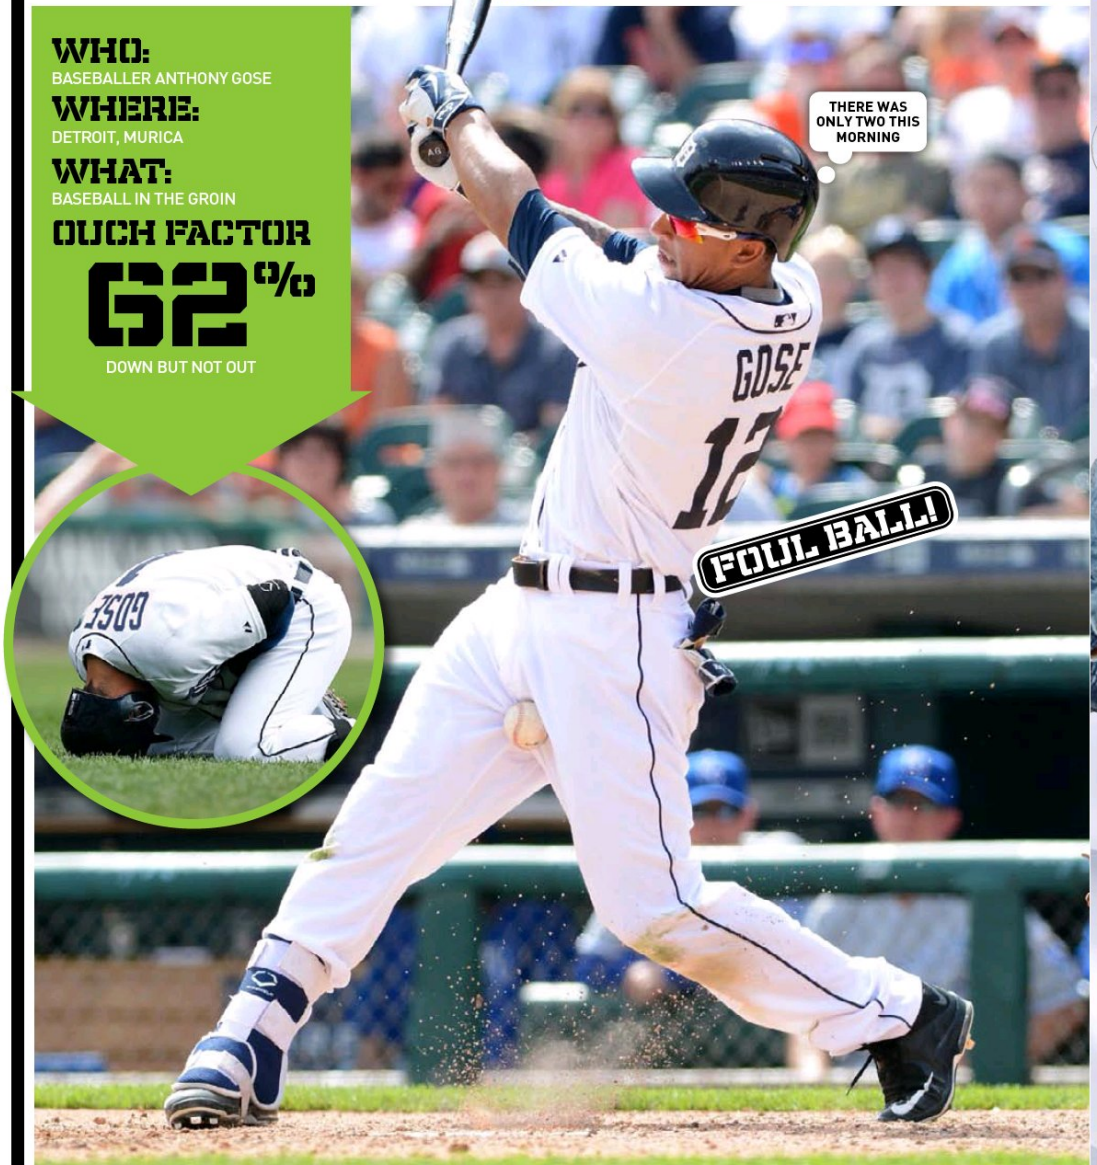
DOWN BUT NOT OUT



AS HARD as we try we just can't feel sorry for Detroit Tigers baseballer Anthony Gose, here.

Firstly, he's playing basbeball. If you're gunna stand outside in the sun all day smacking a little ball around with a bat, at least be playing CRICKET.

And yeah, the bloke copped a baseball straight to the CROWN JEWELS, but he was given fair warning AND a bat to protect himself. In fact, we reckon he kinda DESERVED it.

You hand us a bat, chuck us on one of them baseball fields, hurl a ball at our TADDY SACK and we guarantee we'd smash the FUCKER straight outta the park.

So, it gives us great pleasure to tell you, Tony, to GET UP YA SOOK! ■ Picture

"WOMEN ARE BETTER AT EATING PUSSY"

TURNS out it's not just blokes that find Mia hotter than an Indian bloke's lunch; she reckons there's a fair chunk of sheilas frothing at the smoo to get their hands on her 21-year-old lady parts.

"I get hit on more by chicks than guys," admits the NORKALICIOUS Melburnian uni student. "I think it might have something to do with the way I dress."

What do you mean by that?

"I don't really wear very flattering clothes. Just jeans and a shirt, and a jacket if it's cold. Maybe a dress on special occasions."

We prefer your BIRTHDAY SUIT. Have you ever LEZZED OUT?

"I've had a couple of experience with girls. My first was definitely the most memorable. It was with a good friend of mine and we were both single and bitching about our old boyfriends and kind of joking that we should turn lesbian... then we did! Just for that night though."

You're gunna have to give us more details than that, Mia.

"It all happened so quickly. We were both drunk and we started

making out and playing around. I started kissing and licking her all the way down her body until I was eating her out."

Did she return the favour?

"She sure did! After she came we looked at each other and laughed and she said, 'I guess it's my turn now!'"

Atta girl! Have we lost you to the other side?

"No. It was definitely a good experience and I'm glad I did it, but I don't think I could be with a woman full-time. It's fun to kiss chicks, though!"

Which gender is the better at GROWLING you out?

"The best I've had go down on me was a guy. He was amazing, he knew exactly what he was doing, but overall I'd say woman are better at eating pussy."

That sounds like a challenge to us! When do you feel at your JAW-DROPPING sexiest?

"Right before I have sex! I get so horny anticipating it. And I love teasing guys by taking off my clothes slowly and watching their eyes light up!"

Our eyes are lighting up like a winning pokie up at the thought Mía. Picture

Made in Oz Girl

HOT, PINK AND WET!

Keep your eyes open for Zoe and her norks this summer!

HAVING sex on a beach is something lots of women are HEAPS KEEN to try 'cos they think it'll be all romantic and shit, but Coffs Harbour local Zoe reckons it's not all it's cracked up to be.

"It's nowhere near as glamorous as I expected," the BONK-WORTHY 19-year-old confessed. "Sand got everywhere, I got sunburnt and I think there might've been someone watching from the bushes..."

We're guessing you're not into people watching you MESS AROUND rootfully, then?

"Maybe I could be, but I'd like to know the person instead of some random perve hiding in a bush and touching himself!"

Fair call. Ever rooted in any other exotic locations?

"I had sex at a water-park once, Jamberoo, down near Kiama. I was

STRAIGHT FROM HER OWN MOUTH!

with this guy and we were lying on our towels near the bottom of one of the water slides and I could see him getting a hard-on and I just couldn't help myself."

So what – you splashed cold water all over his cock?

"I grabbed his hand and took him into the toilet, one of the big ones with the baby-changing tables in them, and he popped me up onto the table and fucked me."

Water-parks sound fun again! Where did he shoot his SPLOOGE?

"He pulled out and came all over my stomach – but it was OK 'cos I just put more sunscreen on and rubbed it all in!"

What a TROUPER! Do you let your CHEST PUPPIES roam free when you're sunbakng?

"If there's not many people around or if I'm at a friend's house with a pool then I will. I wouldn't do it at a busy beach – too many perves."

A few more heads will be turning your way now that you're appearing in Oz's GREATEST magazine...

"That's OK. If someone comes over and introduces themselves to me then I'll be more than happy to have a chat with them."

Uh-oh, Zoe. Now you've let the floodgates open... Picture

My Holiday Fuck

VAN NAILIN'

I'D BEEN going out with my girl for a couple of months when we decided to go on holidays together. We were both broke, so when a mate offered us his caravan, I thought: "Bewdy!"

I was expecting something with a kitchen and all that, but it turned out to be a little pop-up job. It wasn't so much a caravan as a box trailer with curtains.

Anyway, we got to our destination fairly late and I set this thing up in the van park. Then we were keen to get down to some serious screwing.

I'm over six foot, and my girl Nina is pretty tall as well, so when we climbed into this van/trailer thing and folded out the bed there wasn't much room for anything else.

My head kept hitting the roof, my feet were sticking outside, and the whole thing was creaking and shuddering.

But fuck it, we were gunna have our first holiday fuck, so we worked out that if she starfished on the bed and I hung one leg outside and braced myself with the other foot on the floor, I could slide my cock up her without too much trouble.

We got a good rhythm going, but with the suspension squeaking and random bits of gear falling off the shelves it was hard to concentrate.

However, we were so horny that it didn't take long before her moans were louder than the suspension and we were both close to coming.

When she went to wrap her legs around my waist, her feet poked through the side walls as well, but we still carried on, and as Nina came she let out one of her trademark squeals that let me know I'd hit the mark.

I rolled off her and pretty much fell out of the van, only to see half a dozen people poking their heads out of their caravans enjoying the show. We were the stars of the van park after that.

VIVA ESPAÑA!

MY FAVOURITE holiday root was a complete random. I was in Spain on a gap year to get some culture and I was taking it seriously, looking at heaps of cathedrals and art museums. The tour group I was with was mostly oldies, so I wasn't expecting any sex action.

Being a 19-year-old chick, it wasn't long before I got a bit antsy, and my little bullet vibrator was getting a work out.

There was no one in the group I'd dream of fucking so I was just gunna put up with it, then we got to Barcelona and a new tour guide took over.

Fucken hell, I nearly creamed my panties! He was like a young Antonio Banderas, and by the way he checked out every woman on the coach I could see he was a player.

When I jumped on the bus the next morning my legs were freshly shaved, my 34Cs were on display, and every time he looked my way I gave him my "I wanna fuck you" look.

The next stop was for a two-hour walk through a monastery, but I said I had a sore leg and would sit this one out.

My Spanish hunk said he'd stay and look after me. And did he fucken what! As soon as the others had buggered off, we got back on the bus, where he pushed me onto a seat, knelt down and pulled off my shorts before spreading my legs and jamming his tongue deep into my hungry snatch.

People were walking past the bus as he licked me to my first orgasm, then he stood up, dropped his jeans and presented his meaty dick to be sucked. I gave it enough to get it good and hard, then put my legs over his shoulders so he could slide it deep inside me.

Owing to my recent drought, I was gushing in minutes – even he was amazed at how wet I was – and after I'd come, and he'd come, we left a big puddle of juices on the bus seat for someone else to sit on.

DOWN BY THE RIVER

CAMPING with a bunch of mates seemed like a good way to kill a week of the holidays. But after a couple of nights of warm beer, Chisel songs and screaming hangovers in a hot tent smelling of Spam farts, the magic had worn off.

I was walking off my hangover on the third morning when I came across another campsite, with three babes sitting in folding chairs having a glass of wine.

They offered me a glass, and I thought I'd hang out with them for a while. Turned out two of the babes were lezzos, and the other was straight. The lezzos had a tent, and the straight chick, Di, had her own.

After a few wines Di confessed listening to the other two get their lez on at night was tempting her to go over to the other side. Then she looked at me cheekily and added: "So I'm glad you came along!"

She said to come back in the evening when it was cool, so I stayed off the piss the rest of the day and when my mates were fall-over drunk I buggered off back to the girls' campsite, where I found Di outside on her sleeping bag.

I lay down beside her and we started pashing and feeling each other up. When she pulled my dick out and went down on me, I raised my head, to see the two lezzos going at it in their tent with the flaps wide open.

Fuck me! A blowie AND a lezzo show!

Di pushed me on to my back, threw a leg over and started to ride me while I watched the lezzos, who in turn were watching us.

Everyone was perving on everyone else, and all four of us blew our wads about the same time.

For the rest of the week I hung out with the girls, just dropping back to see my mates every now and then.

Camping's not so bad, I figured. You just need the right company.

"I'm English and a natural redhead, which makes me feisty as hell," reckons 24-year-old Pom Amy. ***We can't just take your word. You're going to have to tell us something really feisty to prove it.*** "A friend of mine and her partner and I all went out for dinner and after a few drinks we decided take it back to their house. Things got heated very quickly and before you know it we were all in the jacuzzi naked with my friend and I tasting one another." ***We hope he enjoyed the show you two so graciously biunged on.*** "It was so hot and she and I haven't been able to resist doing it a few times since. Her partner doesn't mind, either." ***So he has a pulse, then.***

SCARLETT
SEAFORD, SA

"I have had a threesome or two with two men and now I'm keen to find out what sleeping with a woman is like," says 19-year-old thrillseeker Lexi. ***Please take our uninitiated girls through the delights of DOUBLE-DICKING.*** "It is not that great. It just sounds hot. Or maybe it is. Most likely the guys I was with didn't know what they were doing – it was just awkward."

What did they get wrong? "Well, one of them came too quick, and the other was kind of fucking like a Chihuahua. It was definitely not worth it." ***What did the guy who shot too early do while the other guy was taking DOGGY-STYLE too literally?*** "I don't remember. I think he just lay there waiting. I remember he was really embarrassed."

BROOK LOGAN
HIGHGATE, WA

Good news, Gramps! "I love older guys and my clit being played with," reckons 23-year-old model Brook Logan. "My ideal man would have to be funny, with a good sense of humour, and loyal." ***What happens when you meet up in person?*** "I love anal sex every now and again – I love my peachy arse cheeks." ***Would ya look at that, we've got something in common – we love your peachy arse cheeks too! Are you just into blokes?*** "No. I was once on a night out with some friends, and this chick I met in there was bisexual, too. So we got talking and drinking together in the club, and ended up getting very drunk. After a lot of drinks we were both so horny, so we got up to naughty stuff in the club toilets."

DESIRE
JOONDALUP, WA

Looking for a new place to live? South Africa-born Desire may have the home you are after. "I live in a house with two other models and I never wear clothes." ***Awesome. Tell us a horny story.*** "I went to a bush doof with my ex, I made friends with four other ladies and we had an orgy in a trailer. We made that trailer rock!"

CHLOE ROSE
CAIRNS, QLD

"I'm a nudist at heart," says 22-year-old stripper Chloe Rose, who is obviously a natural-born Homie. "What's not to love about posing nude?" ***Erm... we give up!*** "I love being naked, other people love me being naked. Everyone wins." ***What champion things does your beaut body like to get up to STARKERS?*** "One time I found myself in a hot, steamy shower orgy. After a fabulous night at work and a few too many shots, my girlfriend and I decided to have a shower together. Some male colleagues must have heard us, because next thing you know they joined us. We all got in a little trouble over that." ***Had you done any GROUP ROOTING before?*** "No, but it's ticked off my bucket list now." ***She shoots, she scores!***

MIYU
CARLTON, VIC

"I'm having trouble finding a guy who doesn't immediately get attached to me," complains 23-year-old Miyu, who's clearly been hanging out with the wrong type of blokes. "All I want is a man who wants to have sex occasionally without dating." ***You've turned the tables on us now, Miyu. Where are you meeting these clingy LOVE BIRDS?*** "Most of them are friends of friends who, after we have sex, think that we're dating but I'm like, 'That's not how it works, buddy!'" ***Why don't you try heading down the boozer on a Saturday night? You'll have no trouble finding a bloke that'll never wanna see you again.*** "Well, I don't want that exactly. I want a guy I can have great, passionate sex with but still respects me."

ALICE
TOOWOOMBA, QLD

"Modesty isn't a word in my vocabulary," says 21-year-old Alice. ***Oh, a rude one eh!*** ***Tell us about some of your outrageously immodest antics then.*** "My best friend and I picked up a DJ at his concert and had a threesome on the floor of his hotel room. We didn't make it to the bed. I loved it." ***Was it the first time you'd fucked your mate?*** "It was our second threesome, and it was better this time because we knew what each other liked in bed."

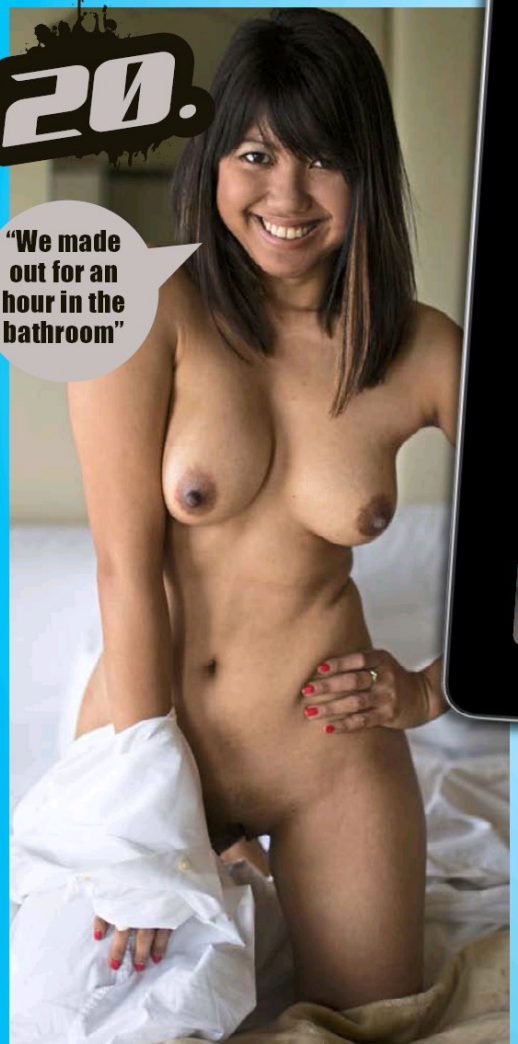
STORM
NEWCASTLE, NSW

"I'm a high school teacher, and I'm very passionate about the job," says 27-year-old Julie. ***Your students will be passionate about your job when they see these photos.*** "No, I just resigned from the school to get more holidays." ***Who gets more holidays than teachers! Does anything FILTHY go on behind the scenes at school?*** "I was flirting with one of the parents from my school and every time I met him, I put my sexy clothes on when finally we went dating. One day he took me to the corner of the school when I finished late and we made out for an hour in the bathroom before the cleaner came."



SOPHIE
ADELAIDE, SA

As you may have guessed 24-year-old Sophie is pretty fond of some in-car rooting action. "It is hot and intense and it is easy to get caught. I love it; I can get on top and bounce away!" ***Speaking of things that bounce, you probably don't need air bags in the car with those norks of yours.*** "Ha! I am very padded up front – 10Gs. And they do bounce." ***What else do they like?*** "Getting grabbed, rubbed and sucked. A little biting is hot, too."
